FDD Abstract

OUTSTANDING BALANCES TO BE DELIVERED BY THE GDR IN 1952 UNDER THE 1951 TRADE AGREEMENT WITH  
HUNGARY ( 4 pp; [REDACTED] 25X1A [REDACTED] 25X1X

25X1A Comment: Although delivery of outstanding balances is promised in every case for March 1952 at the latest, it is doubtful that delivery will be completed because of the chronic shortages of steel. The remark "storno schwebt" (cancellation possible) on page 3 of the document next to the item "oleum installation" (value 3,000,000 DM) indicates that, should difficulties arise with Hungary over the fulfillment of the Five-Year Plan, this item may be held back. It has not yet been delivered. 25X1A
